

Translators Meeting

About us

Here at Translators Meeting speaking your language, and that of your customers, is what we do. We've worked with global and local businesses alike to translate and localize their content for more than 16 years building up a wealth of knowledge, expertise, and insight, as well as a database of satisfied customers.

Over the years, we've been at the forefront of the translation sector adopting inventive and forward-thinking technology to ensure our standards always remain high. We use the latest versions of quality assurance and project management tools, keeping our projects on track and meeting customer expectations every time. Combined with the extensive skills of our 50 in-house professional team the technology we use means that we consistently provide translated and localized content that meets all the needs of each client, whatever their goals and target market.

Through providing our customers with a range of translation and localization experts in the Middle East and Africa, we support customer aims of reaching a new market in the region and connecting with potential consumers. We're proud to be an accredited and trusted provider of translation services into Middle Eastern, African, and Europe languages with offices in Saudi Arabia, UAE, Egypt, and Germany.

Our Vision

To be the trusted language partner of the world's popular brands.

Our Mission

To help our clients expand their global communication presence by providing them with efficient language solutions.

Our Team

While technology and innovation is what we're about, our people are at the core of our business model. It's the friendly, professional, and highly experienced team that meet our customer expectations for every project we work on. The talented individuals that make up our 50-strong in-house team were all handpicked because they reflect the Translators Meeting ethos as well as having the translation skills and tech know-how our customers need. We pride ourselves on offering exemplary customer care, including project manager communication, a friendly environment, and a culture of innovation that encourages staff to learn and grow.

Our team consists of people with the skills to meet all your translation and localization needs, including :

- + Linguists
- + Project managers
- + Business development
- + Reviewers
- + Account managers
- + Software developers
- + Quality assurance auditors
- + Engineering and publishing specialists

Combined, the skill set of our employees and our values mean that we consistently exceed customer expectations, whether they're a business operating on a global scale or a local enterprise taking to a new market for the first time.

LANGUAGES

The region of the Middle East and Africa is a fast-growing marketplace for ambitious businesses in a variety of industries.

However, connecting with and enticing consumers requires firms to communicate in a way that reflects their target market. Our dedicated, native, and professional in-house team of translators and localization experts can support business aims.

For more than 20 years we've been helping businesses translate their media and business proposition into some of the most widely spoken languages in the Middle East and Africa region supporting their goals to tap into this lucrative market. Our combination of local insight and translation experience can help you reach new customers too.

The languages we work in include:

- + Arabic**
- + Turkish**
- + Farsi**
- + Hebrew**
- + Kurdish**
- + Afrikaans**
- + Amharic**
- + Swahili**
- + Urdu**
- + Zulu**
- + Tigrinya**
- + Somali**
- + Dari**
- + German**
- + Burmese**
- + Pashto**
- + Greek**
- + Indonesian**

A list of all supported languages is available upon request.

Quality Assurance

Translators Meeting makes quality its top priority. We ensure quality language services by having «The Right Team of Specialized Language Professionals» and applying «The Right Quality Management Process».

All Translators Meeting translators are native professionals who hold advanced translation degrees and have professional work experience in their subject areas.

To provide reliable and accurate quality, Translators Meeting uses a robust work process and strives for excellence by taking advantage of all that the emerging technologies have to offer.

Before delivering projects, we make sure the following QA checks have been carried out :

- ✓ Checking that all translatable sentences have been translated and nothing missed
- ✓ Running a spellcheck
- ✓ Running a terminology and a style guide check (if relevant)
- ✓ Checking the numerals (including commas/decimal points)
- ✓ Checking that all duplicates have been translated consistently
- ✓ Checking the punctuation
- ✓ Checking the syntax and semantic accuracy of the translation
- ✓ Checking there are no unnecessary double spaces
- ✓ Checking final layout and text flow to make sure no font corruption or layout issues

WHY US ?

While there are lots of translation companies out there we do it differently to ensure every one of your projects meets our high standards every time, where you simply need a document transcribed or need a range of combined services.

Utilize technology

While our employees are the core of our business we utilise technology too. We have an in-house research and development programme and are always innovating to provide a better service and product.

Quality is important

Every project we're involved in is as important to us as it is to you. We're committed to quality and delivering the service that you expect every time.

Time zone coverage

We know that your project is important and you want to be able to contact a member of the team when you have questions. That's why we offer time zone coverage so you can always know how your project is progressing.

Reliable

After working in the industry for over two decades we've built up an enviable reputation of being reliable. Our know-how, experience, and passion means you won't be disappointed when you work with us.

Flexible

We can suit your needs. Whether your project is large or small we can work with you, providing you with bespoke solutions to perfectly suit your needs, deadlines, and budget. Our service is scalable and you're free to add on extras if you want to.

Access to an in-house team

Our in-house team is made up over 50 talented individuals ready to support your translation and localization needs and deliver excellent customer service.
